

~ A Matter of Time ~

The Master's Plan

This chronological narrative of time extends the prophetic watch from the [11013 BC Creation Timeline](#) to the ultimate conclusion for the Lord's promised return that earnestly began in our present lifetime some three decades ago. This study provides the last day perspective to all who will live to witness the awe and glory of the coming of the Lord.

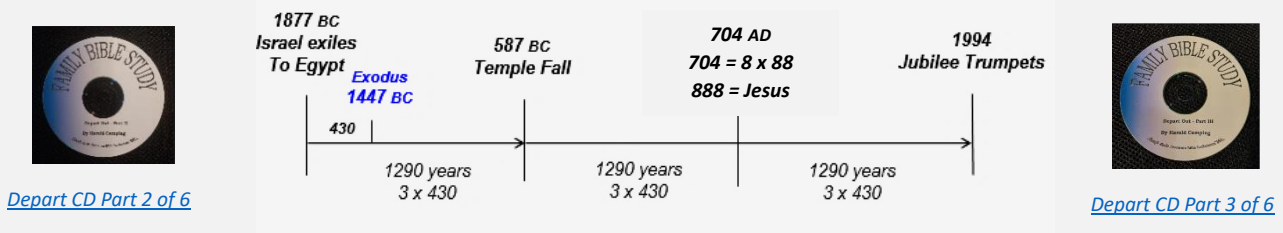

[11013 BC](#) was reconciled to be the beginning of creation as first published in 1974 by researcher Harold Camping in his book "Adam When?" The late and former founder of the Family Radio Christian broadcast later applied this "[Biblical Calendar of History](#)" (1985) to his end time projection of jubilee year 1994 and subsequently the judgement day guarantee of 2011.

Although the world saw these dates come and go as failed prophecies, the silent global impact of both dates on the world was monumental. Woefully, in both years, God decisively unleashed spiritual judgement by terminating the hope of salvation first "at the house of God" (1 Pet 4:17) in 1994, which He then extended for the entire world in 2011 - a time of "great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be" (Mat 24:21).

Falling exactly 13,000 years from creation, Pentecost 1988 was determined to be the beginning of the end of the sanctuary age, which began Daniel's count of 2300 days that merged with Gabriel's 70-weeks (Dan 9), which spans 50 jubilees from Ezra's 457 BC decree to **Trumpets 1994**:

Then I heard one saint speaking, and another saint said unto that certain [saint] which spake, How long [shall be] the vision [concerning] the daily [sacrifice], and the transgression of desolation, to give both the sanctuary and the host to be trodden under foot? And he said unto me, **Unto two thousand and three hundred days**; then shall the sanctuary be cleansed. {Dan 8:13-14}

As per Daniel 12:11 reference to 1290 days, this historic timing of judgment was covered in the CD links below was based on a double count of 1290 years from the destruction of the Temple in 587 BC, which also succeeded 1290 years from Israel's exile into Egypt.

According two accounts (Dan 8:11-14 & 12:11) in the book of Daniel, the numbers 2300 and 1290 both firmly establish the fact that the Lord had indeed extinguished the temple's daily sacrifice.

2300 days - Dan 8:11-14 2300 Daily Sacrifice desolated (**Trumpets 1994** is 2300 days from **Pentecost 1988**, earth's 13000th year)
 1290 days - Dan 12:11 - 1290 Daily Sacrifice desolated (3 x 430, Israel's Egypt exodus took 430 years - Ex 12:41), 1988 + 23 = 2011

From a gematria perspective, a double confirmation leading to 1994 is borne out of the parallel time spans of 2960 years from King Solomon’s temple foundation in 967 BC and 2960 years from Noah’s Flood 4990 BC to Sarah’s rest in the Promise Land of Canaan 2030 BC, which anticipates *Trumpets 1994* coming at the end of 2960 years. “2960” is the numeric value for the “Son of Man” and is the double of 1480, the numeric value for “Christ.”

Noah’s Flood	4990 BC	3 x 296 = 888 “Jesus”	Temple Foundation	967 BC
Sarah’s Rest	2030 BC	5 x 296 = 1480 “Christ”	Jubilee Trumpets	1994 AD
Difference	2960	“Son of Man” = 2960	Difference	2960
	Years	2 x 2960 = “The Lord’s”		Years

With the passage of time, years after 1994 was distant memory, 2011 came into focus and inspired a deadline guarantee of judgment beyond the church for the entire world as May 21, 2011, was realized to be precisely 7,000 years after the Flood, which matched the very same biblical date, the 17th day of the second month (Gen 7:11) in 4990 BC. What are the odds that this 4990 BC flood date had been cemented in the 11013 BC creation timeline 37 years prior?

Since Noah was forewarned of God in yet 7 days before the ark door was shut, considering the Lord’s thousand-year principal described in 2nd Peter chapter 3, it was urgent for mankind to seek salvation before the deadline of hope had finally expired.

For yet seven days, and I will cause it to rain upon the earth forty days and forty nights; and every living substance that I have made will I destroy from off the face of the earth. {Gen 7:4}

But, **beloved, be not ignorant** of this one thing, that **one day [is] with the Lord as a thousand years**, and a thousand years as one day. {2 Pet 3: 8}

Here the context of the chapter envisions the last day mockers who scoffed at “*the promise of His coming*” just like those destroyed by the flood (Mat 24:37-39).

Knowing this first, that there shall come in the last days scoffers, walking after their own lusts, And saying, Where is the promise of his coming? for since the fathers fell asleep, all things continue as [they were] from the beginning of the creation. **For this they willingly are ignorant** of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water: Whereby the world that then was, being overflowed with water, perished: {2 Pet 3: 3-6}

The math for the beloved who were convicted by the principle of 2 Peter was rather simple. It didn’t take a rocket scientist to multiply God’s seven-day warning of the flood by 1,000 years to

count 7,000 years to May 21, 2011. Any God-fearing believer foreseeing the pending judgement had an obligation to sound the alarm and warn all loved ones, friends, and fellow man (Ez 33:3-6).

The number 7,000 in gematria is identified with 7 days of creation as “1,000” holds the standard value for “perfect,” “of the Lord,” “ten,” “him that overcometh” and “all the house of Israel.” According to calculation derived from the 37x73.com website, the sum 7,000 can be produced from the Hebrew and Greek ordinal values of Genesis 1:1 and the name “Jesus Christ” as well.

<i>Ord Hebrew value of Gen 1:1</i>	298	<i>Prime # 298 = 1973</i>	1973
<i>Ord Greek value of Gen 1:1</i>	446	<i>Prime # 446 = 3137</i>	3137
<i>Ord Hebrew value of Jesus Christ</i>	115	<i>Prime # 115 = 631</i>	631
<i>Ord Greek value of Jesus Christ</i>	205	<i>Prime # 205 = 1259</i>	1259
<i>2 Chronicles 7:12-13 (The Lord “appears” to Solomon) = 7,000</i>			7,000

Thus, we have a gematria dimension of 2,960 years for 1994 and 7,000 years for 2011.

Sum of two judgment years: 1994 + 2011 = 4005 = 3 x 1335 (Dan 12:12)

Strong [G4005](#) = “Pentecost”

However, in real time, the prophecy for many fell on deaf ears. Most ignored, mocked, or despised the warning in willful disbelief. Before the day even fully ended, some rejoiced in celebration and ridiculed the believers in vengeance for stirring up anxiety and torment around the world (Rev 11:10). On the other hand, the May 2011 trumpeters were dejected and confused. Many fully invested in the watch felt disillusioned, conned, and jilted by blindly following what they now deemed to be a cult. Some stubbornly clung on to a disprovable five-month future date 10/21/11 although it very clearly counted two days outside the *Feast of Tabernacles* (Oct 12 - 19, 2011). Others looked for new authority whom they revered and trusted for understanding and direction as the [Family Radio ministry](#) began to repent its own worldwide commission. Many disbanded the watch altogether because when tested and tried with infallible proofs of the word, their lack of faith overcame them (2 Cor 5:7).

But the truth and understanding could only be found by prayerfully retreating to the bible where we are quickly reminded that in the flood’s aftermath Noah and family remained saved on the ark for a full year until they were finally allowed to exit onto dry land when God clearly confirmed his promise with the sign of rainbow as a new beginning. Amazingly, the dryland date verse (Gen 8:14) holds the same gematria value as the creation verse Genesis 1:1 at 2701!

And in the second month, on the seven and twentieth day of the month, was the earth dried. [Gen 8:14=2701] And God spake unto Noah, saying, Go forth of the ark, thou, and thy wife, and thy sons, and thy sons’ wives with thee. {Gen 8:14-15}

I do set my bow in the cloud, and it shall be for a token of a covenant between me and the earth. And it shall come to pass, when I bring a cloud over the earth, that the bow shall be seen in the cloud: And I will remember my covenant, which [is] between me and you and every living creature of all flesh; and the waters shall no more become a flood to destroy all flesh. **And the bow shall be in the cloud; and I will look upon it, that I may remember the everlasting covenant** between God and every living creature of all flesh that [is] upon the earth. {Gen 9:13-16}

Well, lo and behold, anyone continuing to walk with God like Noah and Enoch, who God took at the age 365 (Gen 5:23-24), could see a rainbow in the sky formed by a rare annular solar eclipse 365 days later [May 20, 2012](#). Was this a coincidence or a shadow of things to come?... especially when you consider that the previous one occurred on [May 10th](#) of the jubilee year 1994!

With the rainbow in view, it didn't take long to realize that God's promise to Noah was reiterated to Abraham regarding the birth of Isaac "ten" generations later (Gen 17:6-9). But this time the promise came with a caveat, **at the same set time in the next year** (Gen 17:21). Since God made His covenant with him a 99 (73rd composite #), this meant Abraham would be 100 years (10 x 10) old when the promised birth of his son Isaac was fulfilled (Gen 17:17).

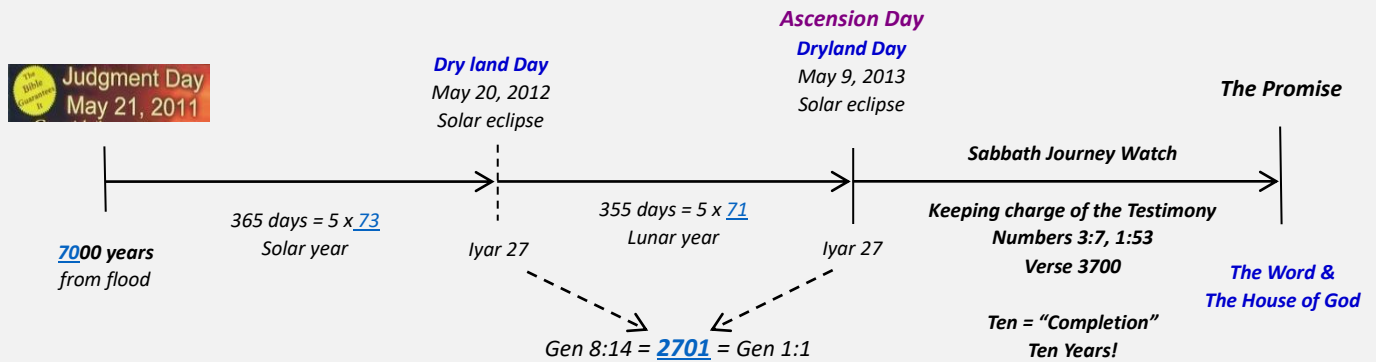

Sure enough, after the 365-day solar eclipse in May 2012, at the same set time in the next year, another annular solar eclipse occurred on [May 9, 2013](#). But this one coincided with [Ascension Thursday](#). When Christ ascended to heaven after His resurrection, the disciples learned that this same Jesus would return "in like manner," a Sabbath day's journey away (Acts 1:11-12). This Sabbath day journey took ten days until the manifestation of the Holy Spirit at Pentecost 33 AD.

According to the words Peter and Joel, Pentecost projects the manifestation of the darkening signs to come at the end of the world.

But this is that which was spoken by the prophet Joel; And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: And on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy: And I will shew wonders in heaven above, and signs in the earth beneath; blood, and fire, and vapour of smoke: **The sun shall be turned into darkness, and the moon into blood, before that great and notable day of the Lord come:** {Acts 2:16-20}

Multitudes, multitudes in the valley of decision: for the day of the LORD [is] near in the valley of decision. **The sun and the moon shall be darkened, and the stars shall withdraw their shining. The LORD also shall roar out of Zion, and utter his voice from Jerusalem; and the heavens and the earth shall shake:** but the LORD [will be] the hope of his people, and the strength of the children of Israel. {Joel 3:14-16}

In effect, the like manner Sabbath Journey watch to the end officially began on *Ascension Thursday May 9, 2013*.

In addition to myriads of significant dates on the timeline, the Ascension solar eclipse of 2013 became the premier test date in the final journal to the promise and pointed to the ultimate date sign of **Epic Chai Sarah 2017** which underscores God's oath to His people.

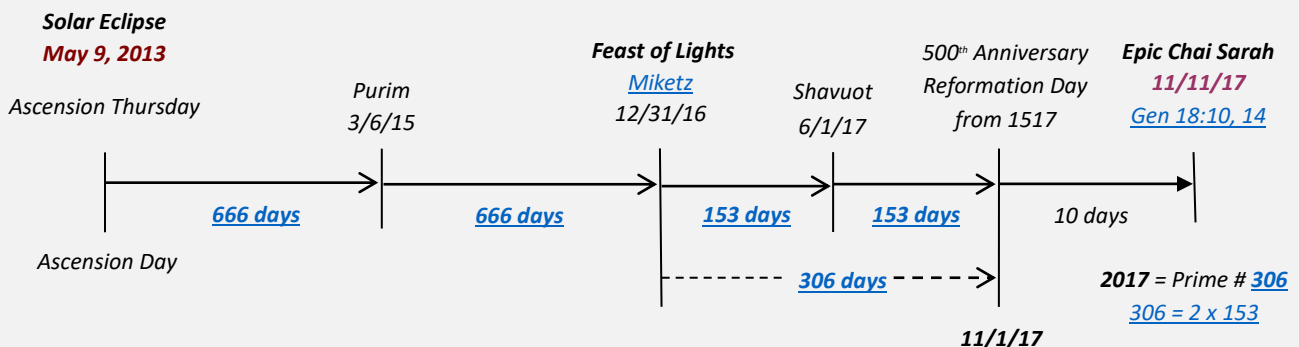

Sarah, who birthed Isaac at 90 years old, was blessed by God as "the mother of all nations" (Gen 17:16). The Lord tied the promise of His return "according to the time of life" (Gen 18:10, Rom 9:9).

Is any thing too hard for the LORD? At the time appointed I will return unto thee, according to the time of life, and Sarah shall have a son. (Gen 18:14)

The fifth Torah portion Chai Sarah means the "life of Sarah," who lived to the age of 127. The whole 23rd chapter of Genesis is devoted to Abraham's grief and public burial of his wife Sarah beginning with her resting place in the promise land of Canaan and ending with his arranged marriage of Isaac, who would have been 37 years old at the time of Sarah's death (127 - 90 = 37).

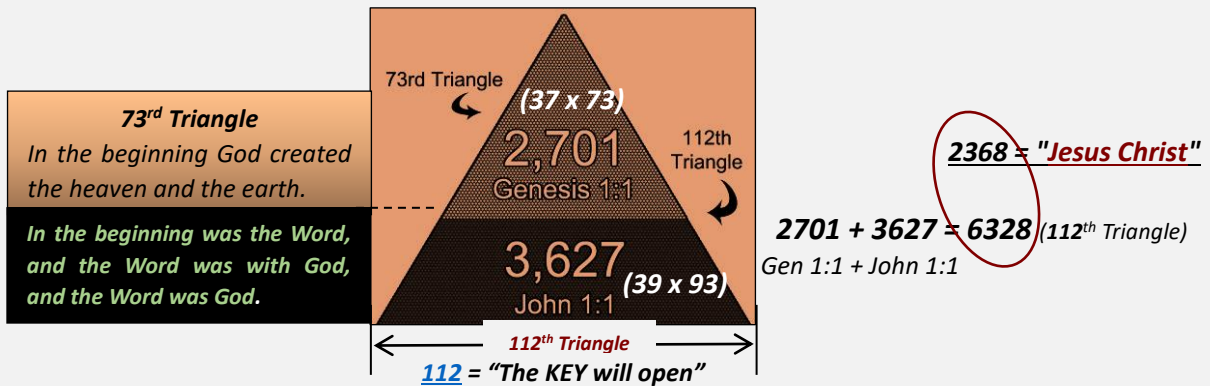

Similarly, the Sabbath journey watch from the solar eclipse Ascension to **Epic Chai Sarah 2017** was a huge announcement from God to the world for anyone paying attention. **0127, 2017 and 2701** are the same digits transposed. Year 2017 was the first Chai Sarah on "11/11" in 73 years.

Sabbath Journey Watch to 11/11 Epic Chai Sarah 2017

➤ Christ's 1st Coming 7 BC to Epic Chai Sarah 2017 are **2023 years**

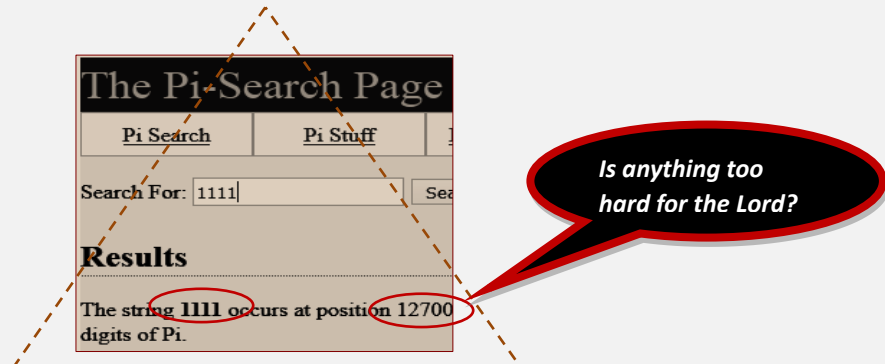

This announcement was spectacular from the beginning as 11/11 creates the elegant geometric design illustrated graphically below in the united triangular value of *Gen 1:1* and *John 1:1*:

While underscoring the Lord God as author "*In the beginning*," "2701" harmoniously also holds the value of Noah's dry land rainbow verse for Iyar 27 which dates the new beginning.

And in the second month, on the seven and twentieth day of the month, was the earth dried. {Gen 8:14}

"1111" being the value for "*The Flood*" means we can identify *Epic Chai Sarah* 11/11/17 also as the "end" like the end of Sarah's life. Additionally, "1111" holds the value for "*The Witness*," "*iota*" and "*The Foundations*" and incredibly occurs at the 12700th position of Pi! (127 x 10 x 10)

The Mathew 5:18 words "*jot*" (1111) and "*tittle*" (137) unites the values of "1111" with the mysterious fine structure constant "137" (Abraham's age 137 when Sarah was 127) underscoring Christ's sworn promise as doubly absolute. **37th word "Light" in bible starts with 137th letter where "God divided the light from darkness" (Gen 1:4), which defines the Fine Structure Constant!**

For verily I say unto you, Till heaven and earth pass, **one jot or one tittle shall in no wise pass** from the law, **till all be fulfilled.** {Mat 5:18} (Mat 24:35 *Israel's 1948 sworn prophecy*)

Amazingly, the word "*sabbath*" occurs 137 times in the bible. Considering 1111 is found at the 12,700th pi position, it's also amazing that there are 3165 days from *Epic Pi Day* 3/14/15 to *Epic Chai Sarah* 11/11/23. 3165 = 3 x 5 x 211. 211 "*The Word*" and "Seer" (prophet) is the sum of the 37th prime (157) and 37th composite (54) numbers. "2368" is also the 2017th composite number!

➤ *The Two Rainbow Promise years 2013 + 2017 = 4030*

4030 = 10 x 403 "A God called," "Thy Salvation Comes"

"11/11" was also the end of World War I in pandemic year 1918, which is the result of $2 \times 7 \times 137$

And mount Sinai was altogether on a smoke, because the LORD descended upon it in fire: and the smoke thereof ascended as the smoke of a furnace, and the whole mount quaked greatly. {Exo 19:18}

How amazing it is that the year 1918 indexes the verse where the Lord descended on Mount Sinai. 1918 was 99 years before 2017. "99" is the age of Abraham when God promised him. If you're thinking: "great coincidences," consider the *Great Faith Chapter of Hebrews 11:11*

*Through faith also Sara herself received strength to conceive seed, and was delivered of a child when she was past age, **because she judged him faithful who had promised.***

Is any thing too hard for the LORD? At the time appointed I will return unto thee, according to the time of life, and Sarah shall have a son. {Gen 18:10}

Surely, like Abraham's public announcement of Sarah's death (Gen 23), the Lord was shouting out attention of 2017 from the heavens. So much so that He marked the year with the highly touted **Great American Eclipse (8/21/17)** so the world could witness His rainbow across the sky. Although several impressionable dates would follow the [Perfect Timing of 2017](#), *Epic Chai Sarah 11/11/17* would be the key signal pointing to the next *Ultimate Chai Sarah 11/11* date only 6 years ahead: **From Chai Sarah 11/11/17 to Chai Sarah 11/11/23 are 2192 days, $2192 = 2^4 \times 137$**

After the Exodus, the children of Israel were tested forty years in the wilderness before God's people were able to enter the *Promise Land of Canaan in 1407 BC*. This 40-year testing period of God's guidance and provision mirrors the apostle's 40-day wait after the resurrection when Jesus in His glory "shewed himself alive after his passion by many infallible proofs" ([Acts 1:3](#)).

- From **Promised Entry to Canaan 1407 BC** to Christ's Return **2023** are **3,429 years!**

$3,429 = 27$ "Light" x 127 Sarah age at rest in Canaan ([Gen 23:1-2](#))

27 "Hath told," "Riddle" x 127 "King of Glory"

$3,429 = 3 \times 1143$ "The Glory of God," "The Glory of the Lord," "To Glorify"

$1143 =$ Sum of all letters in **The Ten Commandments'** Exo 20

It is the glory of God to conceal a thing... {Pro 25:2}

- From Sarah's rest in Canaan 2030 BC to Christ's Return 2023 are 4052 years

$4052 =$ Gematria value of "Numbers 29:29," 29 = "Lord," "To Come"

- From Jubilee Trumpets 1994 to Christ's Return 2023 numbers 29 years!

$29 = 10^{\text{th}}$ Prime # of 1st 29 primes, which sums to 1480 "Christ"

$2 \times 1480 = 2960$ "Son of Man"
