

A Double-Time Walk with God

In surpassing *Chai Sarah 11/11/23* we find that Hanukkah is the final biblical feast left in [The Acceptable Year of the Lord](#) of 2023. Throughout this journey we have consistently observed the Feast of Dedication just as Christ validated the feast in His final attendance in 32 AD.

And it was at Jerusalem the feast of the dedication, and it was winter. And Jesus walked in the temple in Solomon's porch. Then came the Jews round about him, and said unto him, How long dost thou make us to doubt? If thou be the Christ, tell us plainly. Jesus answered them... {John 10:22-25}

This year the Feast of Dedication spans from *December 8 to 15*. The feast originated as a delayed Feast of Tabernacles (*also interchangeable with Pentecost*) after the Jews' successful revolt implemented by Juda Maccabees in 165 BC. While there are strong prophetic time paths for the two end points, Jesus makes a point to teach at *"about the midst of the feast."*

Now about the midst of the feast Jesus went up into the temple, and taught. And the Jews marvelled, saying, How knoweth this man letters, having never learned? Jesus answered them, and said, My doctrine is not mine, but his that sent me. {John 7:14-16}

This notation of mid-feast timing may seem trite on the surface until understood in context of Haggai's exhortation to consider the *24th day of the 9th month* when the foundation was laid for the blessing. Recognizing *"the foundations"* having a gematria value of **"1111,"** we can appreciate *Epic Chai Sarah year 2017* as an epic *"foundation year"* to be considered.

Consider now from this day and upward, from the four and twentieth day of the ninth [month, even] from the day that the foundation of the LORD'S temple was laid, consider [it]. Is the seed yet in the barn? yea, as yet the vine, and the fig tree, and the pomegranate, and the olive tree, hath not brought forth: **from this day will I bless [you].** And again the word of the LORD came unto Haggai in the four and twentieth [day] of the month, saying, Speak to Zerubbabel, governor of Judah, saying, **I will shake the heavens and the earth;** And I will overthrow the throne of kingdoms, and I will destroy the strength of the kingdoms of the heathen; and I will overthrow the chariots, and those that ride. {Hag 2:18-22}

In 2017, Haggai's *24th day of the 9th month* converts to *12/12/17* on the Gregorian calendar. *"December 12th"* this year would fit neatly falling about the middle of the Hanukkah for 2023. With "37" being the 12th prime number, combined with Daniel's 1335-day wait for the blessing being indexed at Daniel "12:12," we find that Haggai was covertly providing the starting date to count from in the foundation year of *Epic Chai Sarah 2017*.

Strong H2222 = "Water"

He shall come down like rain upon the mown grass: as showers that **water** ^{H2222} the earth.

Strong G2222 = "Life"

Who shall not receive manifold more in this present time, and in the world to come **life** ^{G2222} everlasting.

He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of **living water**. {John 7:38}

Amazingly, in the final 2222-day span, the midpoint at 1111 days happens to land on *Thanksgiving* 11/26 three years ago in 2020. While 2020 doubles "According to the Order of Melkizadek," the word "Thanksgiving" shares its gematria value of 1637 with Habakkuk 2:3.

*For the vision [is] yet for an **appointed time**, but **at the end it shall speak**, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry.* {Hab 2:3}

*Continue in prayer, and watch in the same with **thanksgiving**;* {Col 4:2}

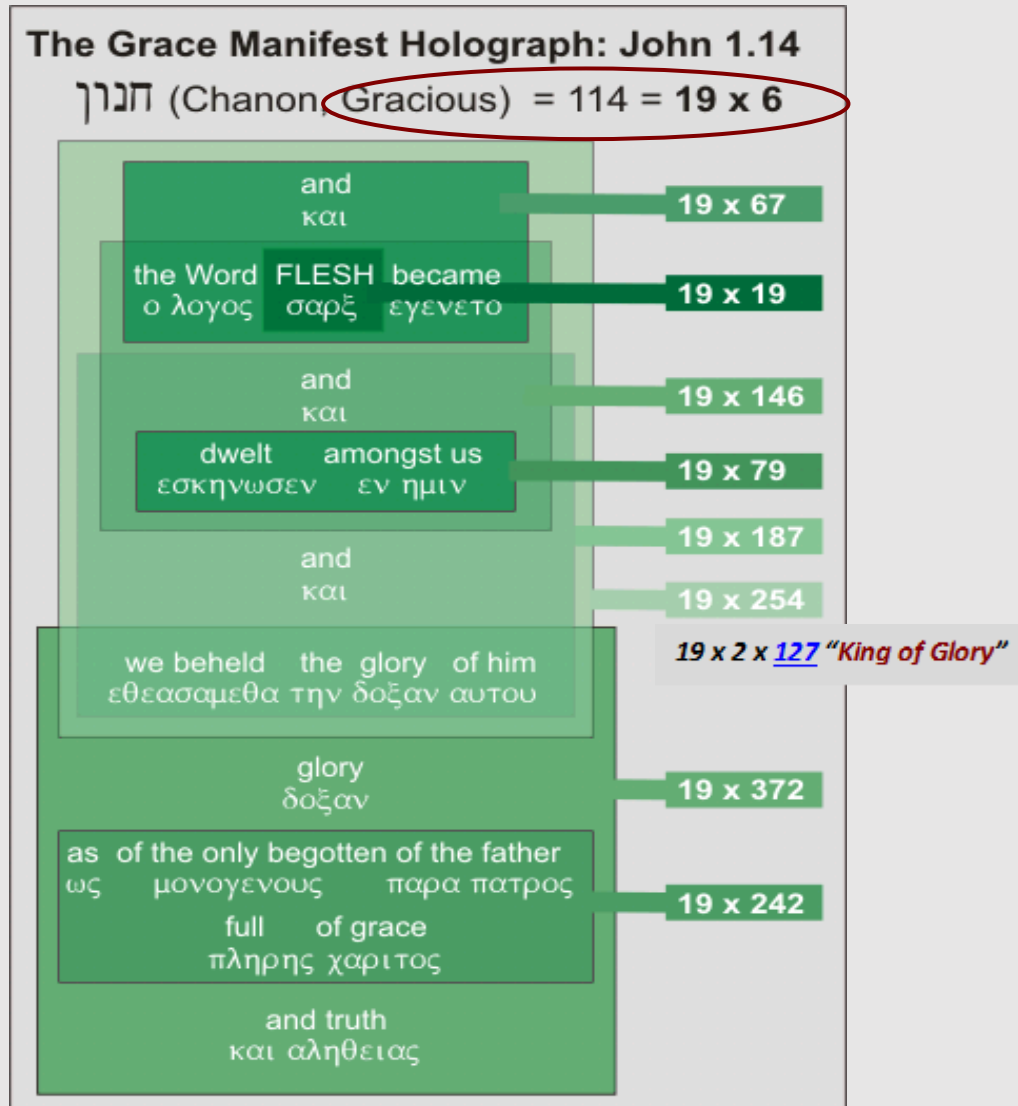

Curiously, Thanksgiving this acceptable year of the Lord is 11/23/23, which is 19 days before Haggai's projection date 12/12/23. Harmoniously, the number "19" relates physical manifestation, and holds the value to "behold," "the heart," "The earth" and "He shall come."

Since the flood of 4990 BC, we traveled three consecutive dual time spans in 1480 years, 2023 years, and 2222 days. Similarly, Haggai's projection date 12/12/23 is also 19 days from the last evening/morning day of the year 12/30-31/23.

*And for that the dream **was doubled unto Pharaoh twice**; [it is] because the thing [is] **established by God**, and **God will shortly bring it to pass**.* {Gen 41:32}

As covered from the Bible Wheel archives, the *Number 19* is the number of *“Flesh”* and Physical Manifestation. It is the basis of the *Grace Manifest Holograph* exhibited below. It is the square root of the number $361 = 19 \times 19$. The bible use of the word *“flesh”* is significantly maximized in *Revelation 19* where the Bible Wheel presents the link between Genesis 19 (*Sodom and Gomora*) and Revelation 19 (*Final Judgement*).

And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.

The Biblewheel holds the Number 19 as the Hexagon in the Hexagon/Star pair 19/37 which appears in the heart of Genesis 1.1 - the Creation Holograph: The Heart HaLev 19 = 5 + 12 + 2 (Ordinal Value) 37 = 5 + 30 + 2 (Standard Value) Heaven and earth shall pass away: but my words shall not pass away.

|-----------|------------------------------------|---|
| The Heart | $19 = 5 + 12 + 2$ (Ordinal Value) |  |
| הלב | | |
| HaLev | $37 = 5 + 30 + 2$ (Standard Value) | |

Harmoniously, this year's Thanksgiving is not only **19 days** from *mid-feast Hanukkah 12/12/23*, but also **37 days** from the last evening/morning day of the acceptable year 2023 as well!

Those oblivious to God's "signs of the times" would overlook the significance of His dramatic merging of Thanksgiving and Hanukkah at comet ISON on 11/28/13, which could not reoccur for 70,000 years or 1,000 lifetimes. To converge with the Comet ISON that falls 666 years from the Black Death Comet Negra, which aligned with the death of two thirds of the world in 1347, could have only been timed by the One God Almighty who created the heaven and the earth.

➤ From Halley's Comet 5/19/1910 to Comet ISON 11/28/13 are **37,814 days**

$$37,814 = 2 \times 7 \times 2701, \text{ Gen 1:1 and 8:14}$$

*After 38 years, **Comet Halley begins return to earth** Day-1 Hanukkah 12/8/23!

Comet ISON fell **666 years** after the **Black Death Comet Negra** of 1347

The *rainbow Ascension Day - solar eclipse in 2013* was preceded by the previous one 19 years prior in the jubilee year 1994. The dates for the Feast of Light in the years 1994 and 2013 matched up perfectly spanning 19 years apart (*Weds Nov 27 to Thurs Dec 5*). At that time, in our study "Nineteen Years Later," we developed an appreciation for the Hebrew calendar **19-year cycle**.

From Jubilee Trumpets 9/6/1994 to the Feast of Lights 12/5/13 is **7,030 days**

$$7,030 = 10 \times 19 \times 37$$

While we recognize the significance of Daniel 12:12 in our wait of 13,035 years from the beginning of creation 11013 BC to 2023, the value of preceding phrases in the text places a double component emphasis on putting a final “end” to the matter.

$$619 + 470 + 190 + 56 = 1335$$

⁸ And I heard, but I understood not: then said I, O my Lord, what [shall be] **the end of these [things]? [619]** ⁹ And he said, Go thy way, Daniel: for the words [are] closed up and sealed till **the time [470] of the end [190]**. ¹⁰ Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand. ¹¹ And from the time [that] the daily [sacrifice] shall be taken away, and the abomination that maketh desolate set up, [there shall be] a thousand two hundred and ninety **days [56]**. {Dan 12:8-11}

Whether mankind believes it or not, God has historically proclaimed impending judgement before exacting on the world. It appears the unlikely US Speaker of the House has unknowingly served the purpose commenting [God’s wrath on a ‘depraved’ America](#) just before he was surprisingly elected the new “Speaker” of the House.

Appropriately, the manifestation of [December 12, 2023](#) will occur on a “**new moon**,” the appointed time when the trumpets are blown.

Blow up the trumpet in the new moon, in the time appointed, on our solemn feast day. {Psalm 81:3}

Over a decade ago for the jubilee year 1994/95 that concluded the church ministry and the guaranteed world judgement year 2011, 7,000 years from the Flood; parallel time paths of 2300 days and 1335 days separating Tisha b av, Passover and the Feast of Dedication were discovered in the study called "[The Third Watch](#)" as presented below in July 2011:

| <i>Counting forward from the Jubilee Passover '95</i> | | | | | |
|--|------|-------------------------|-----------------|------------------|--|
| <i>Passover</i> | 1995 | <u>Apr 13</u> to 12/31 | 262 days | 255 days | <u>April 20</u> to 12/31 - 1995 |
| | 1996 | Leap year | 366 days | 366 days | |

| | 1998 | Standard year | 365 days | <u>349 days</u> | Jan 1 to <u>Dec 14*</u> - 1998 |
| | 1999 | Standard year | 365 days | 1335 days | – Passover - Feast of Dedication* |
| | 2000 | Leap year | 366 days | | |

| 2300 days – Passover to Tisha B' Av* | | | | | |
| <p>Since these time paths were used to confirm God's timeline from the Jubilee year end in 1995, it would be expected to also confirm the ultimate time of judgment in 2011 if we were to this time repeat the same count backwards 1335 days and 2300 days from the Tisha B'Av burning August 7-9, 2011. We should recall King Hezekiah also had a "sign" of time returned "backwards" for him to know when "to go to up the house of the Lord." (2 Kings 20:10-11) The confirmed revelation is the magnificent glory of God!</p> | | | | | |
| <i>Counting "backwards" from Judgment Day 2011</i> | | | | | |
| <i>Tisha B' Av</i> | 2011 | Jan 1 to <u>Aug 9</u> | 221 days | 219 days | Jan 1 to <u>Aug 7, 2011</u> (Invasion) |
| | 2010 | Standard year | 365 days | 365 days | |
| | 2009 | Standard year | 365 days | 365 days | |
| | 2008 | Leap year | 366 days | 366 days | |
| | 2007 | Standard year | 365 days | <u>20 days</u> | <u>Dec 12*</u> to 12/31 - 2007 |
| | 2006 | Standard year | 365 days | 1335 days | – Tisha B'Av - Feast / Dedication* |
| <i>Passover</i> | 2005 | <u>Apr 23*</u> to 12/31 | <u>253 days</u> | | |
| 2300 days – Tisha B' Av to Passover* | | | | | |

While Tisha b' av clearly relates to the cut off of salvation on May 21, 2011 day for the unsaved world; for the Elect - May 21, 2011 spiritually identified with Passover when God's people "passed over" judgement into their blessed wait for redemption as stated in Daniel "12:12."

Applying the same reverse-count of 1335 days from our *mid-Feast of Dedication* 12/12/23, we come to the end of Passover - April 16, 2020! Moreover, counting back 2300 days (Dan 8:13-14) from the first day of the *Dedication* 12/8/23, we come to the day of the Great American Rainbow Sign - Total Eclipse August 21, 2017, which also counts 26,000 days (evening/morning days) from the Total Lunar Eclipse of June 14, 1946, the birth of the 45th POTUS - Donald J. Trump!!! Recall "45" is the gematria number of "man," today's spear of great evil across the land (Rev 13:18).

America's discovery of 1492 was a symbol of the New World to come signaled by the rare Blood Moon tetrad, which also occurred in 1948 at the rebirth of nation Israel. 1492 is factored as 4×373 , which holds the value for "Logos / Word," "and God was" and "Arise! Shine!" (Isa 60:1) The Strong index [G1492](#) occurs **666 times** in the bible and equates to "See," "To know," and "understand."

➤ From POTUS 45' birth 6/14/1946 to Mid-Feast of Lights 12/12/23 are 28,305 days

$$28,305 = 5 \times 37 \times 153$$

The 3700th verse in the bible about keeping charge of the testimony is **Numbers 3:7**, where God doubles down on **Numbers 1:53!**

But the Levites shall pitch round about the tabernacle of testimony, that there be no wrath upon the congregation of the children of Israel: and the Levites shall keep the charge of the tabernacle of testimony.

Solar eclipse of August 21, 2017

August 21, 2017

The solar eclipse of August 21, 2017, dubbed the "Great American Eclipse" by some media, was a total solar eclipse visible within a band that spanned the contiguous United States from the Pacific to the Atlantic coasts. [Wikipedia](#)

Date: August 21, 2017

3. A Once-In-A-Lifetime Event

While total solar eclipses are not rare—they occur twice every 3 years on average and can be seen from some part of the Earth—a total eclipse of the Sun that can be seen from the American West Coast to the American East Coast occurs less frequently. Before the eclipse in August 2017, the last time a total solar eclipse was visible from coast to coast was almost 100 years earlier, on June 8, 1918!

What made this eclipse extra-special is that it was the first time since the total solar eclipse of January 11, 1880 that a total solar eclipse occurred exclusively over the continental United States—no other country saw totality, though many countries saw a partial eclipse of the Sun.

This is why this eclipse was also called the *Great American Eclipse*.

2300 days from the world's 13,000 anniversary - Pentecost 1988 to Jubilee Trumpets September 7, 1994, was the answer "How long" for the sanctuary to be trodden under foot. This was a big deal as 1994 was the landing of 2960 years from Solomons foundation of the temple 967 BC, which paralleled 2960 years from the Flood 4990 BC to Sarah's rest in the Promise Cannan 2030 BC. 2960 is the double of [1480](#), the numeric value for "Christ."

*Then I heard one saint speaking, and another saint said unto that certain [saint] which spake, How long [shall be] the vision [concerning] the daily [sacrifice], and the transgression of desolation, to give **both the sanctuary and the host** to be trodden under foot? And he said unto me, Unto two thousand and three hundred days; then shall the sanctuary be cleansed. {Dan 8:13-14}*

However, it has become apparent that the 2300-day count for the destruction of the host, born on a total lunar [26,000 days](#) prior, would begin August 21, 2017, at the rainbow sign of the Great American Total Solar Eclipse.

Updated 12/14/23

In surpassing 12/12/23, we find clearer light in the middle of *Tabernacles/Dedication* when Jesus attended the feast in **"secret"** ([John 7:10](#)) noting that His time is not *"full come."*

Go ye up unto this feast: I go not up yet unto this feast; for my time is not yet full come (pleroo). {John 7:8}

The same Greek word *"pleroo"* ([G4137](#)) translated *"fulfilled"* as well as *"full come," "finish," "end"* and *"complete"* is also used in Matthew 13:35, which refers to the revelation of secrets with an index the matches the blessed wait of *"1335 days"* from *Daniel 12:12*.

That it might be fulfilled which was spoken by the prophet, saying, I will open my mouth in parables; I will utter things which have been kept **secret** from the foundation of the world. {Mat 13:35}

Fifty days after the resurrection the *Holy Spirit* was poured out when Pentecost was “fully come.”

And when the day of Pentecost was fully come (*sympleroo*), they were all with one accord in one place. (Act 2:1)

On this day Peter *stood up and lifted his voice* and explained the last-day manifestation of signs in earth, moon, and sun that was foretold by the prophet Joel ([Joel 3:14-16](#)).

¹⁴ But Peter, **standing up with the eleven, lifted up his voice**,... ¹⁶ But this is that which was spoken by the prophet Joel; ¹⁷ And it shall come to pass in the last days,... ²⁰ The sun shall be turned into darkness, and the moon into blood, before that great and notable day of the Lord come: ²¹ And it shall come to pass, [that] whosoever shall call on the name of the Lord shall be saved. {Acts 2:14-17, 20-21}

Here Peter is replicating the announcement of Jesus on the **last great day of the Feast of Tabernacles**:

*In the last day, that great [day] of the feast, **Jesus stood and cried**, saying, If any man thirst, let him come unto me, and drink.* {John 7:37}

As mentioned earlier the *Feast of Dedication* originated as a delayed Feast of Tabernacles after Judas Maccabees led the Jews in the restoration of the Temple in 165 BC.

This year the Feast of Dedication ends on the evening of December 15th, which biblically runs into the morning of December 16th, the day of *Miketz* – the *Tenth Torah Portion Reading*. "[Miketz](#)," means "**At the end**" as used in *Genesis 41*, which describes the account of Joseph being rewarded for his interpretation of Pharaoh's dreams. It's significant that the 10th Torah Portion is the "double" of the 5th Torah Portion, which happen to be *Chai Sarah*.

The morning of December 16 will count 3 ½ days from our mid-feast date of 12/12/23. This would harmonize two mysterious passages found in the book of *Revelations*.
