

The Culmination of 2020/21

The Lord's watch requires endurance to the end where faith is the evidence of things unseen ([Heb 11:1](#)). Beyond the end of the year 2020, we cross into the year 2021 and find that it consolidates the sum of the Hebrew and Gregorian last years at 7,802, which doubles 3,901.

Hebrew year	5781
Gregorian year	2021
Total	$7802 \div 2 = \underline{3901}$

The [Jewish civil calendar](#) for 2020 actually ends at the twelfth month of Adar, which extends to February/March 2021. With the Jewish civil year 2020-2021 closing at the month of Adar, the correlation of "the feast of ingathering at the year's end" remains intact (Exo 34:22, [23:16](#)).

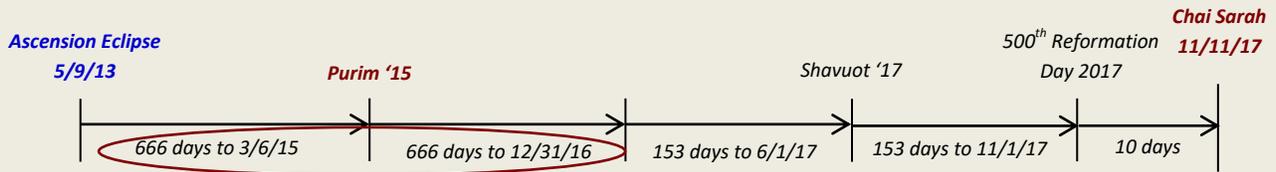

Amazingly 7,802 is the double of 3901 ([Gen 41:32](#)), which is the **26th Star Number**. In light of the progression of this watch pointing to the number 26; the prophetic implications here are enormous! Strong's index [H7802](#) relates to "Shushan Eduth," the "[Trumpet of Revelation](#)." Shushan (lilies - white from the root) is the palace that evolves the story of Purim. "26" is "[The Lord's Signature](#)" number and earned 2020 as the spotlight being 26 years from Jubilee Trumpets 1994. 3901 is an anagram of [391](#), the value for "Jesus" and "Salvation." The first occurrence of "3901" begins from the [12,222nd position of Pi](#). "12,222" holds the value for Luke 3:7:

Then said he to the multitude that came forth to be baptized of him, O generation of vipers, who hath warned you to flee from the wrath to come? {Luke 3:7} = [12,222](#)

The double 26th Star Number entering 2021 plants a formidable sign to the promise with "3901" holding the value for the victory of Esther 9:26:

Wherefore they called these days Purim after the name of Pur. Therefore for all the words of this letter, and [of that] which they had seen concerning this matter, and which had come unto them, {Est 9:26} = [3901](#)

The book of Esther is the story of Purim where the fate of the Jews against all odds evolves from sorrow to joy due to the astute and brave intervention of their queen. Once the stage is set, the tables are turned against the wicked Haman as the Persian King commands the Jews of 127 provinces to prepare to conquer their enemies while the queen's cousin ([Est 2:7](#)) Mordecai gets rewarded for his unshaken loyalty as a Jew. Esther is the 17th book of the bible riddled with unforeseen twists, turns and irony that bares a victorious outcome which proves the sovereign intervention of God, whose name is never mentioned in the text. Yet, the divine hand of God is evident throughout in the deliverance of His people.

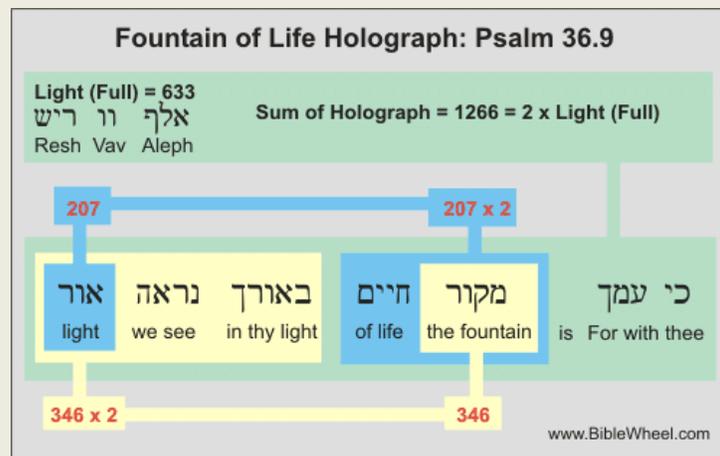

Shushan Purim March 6, 2015 splits the double 666th day time path from the start of the Sabbath Journey watch at the *Ascension Eclipse* 5/9/2013. The book of Esther is centered around **127** provinces of Shushan (*Est 1:1-3*), which matches Sarah's age at her rest in the Promise land of Canaan (*Gen 23:1-2*). The dual connection circling back to Purim is unlikely to be a mere coincidence.

➤ From Ascension Day Solar Eclipse 5/9/13 to Shushan Purim 2/27/2021 are 2,851 days

$$414 = \underline{18} \text{ (Life - Chi)} \times \underline{23} \text{ (Live - Chiah)}$$

➤ From Great Tribulation start 5/21/11 to Shushan Purim 2/27/2021 are 3,571 days

3,571 = Prime # 500 "Be fruitful and multiply," "The Law," "The Number"

$$3 \times 500 = \underline{1500} = \text{"Light," "Mt Zion"}$$

"Be fruitful and multiply" is the first commandment of the bible. The gematria value of 500 mimics the value of the "number" 430 highlighted **3 times** in the wisdom verse Revelation 13:18

Here is wisdom. Let him that hath understanding count the number (430) of the beast: for it is the number (430) of a man; and his number (430) [is] Six hundred threescore [and] six. {Rev 13:18}

$$\underline{430} = \text{"Law," "Number," "Treasure," "Weigh"}$$

In affirmation, the consolidated Sabbath Journey / Tribulation Period shed **“Light”**

Just as 3901 is preceded by “26” at the 12,222nd position of pi, 3901 in [Euler’s constant e](#) is preceded by 555, the number of times that “Christ” occurs in the KJV. “555” holds the value for the phrase **“And Enoch walked”** {[Gen 5:24](#)}. The numerical landmarks discovered walking the **“signs of the times”** ([Mat 16:3](#)) is presented as infallible proofs on the journey to the promise:

[Bible Wheel excerpt on Purim](#)

Esther or in history, is called [hester panim](#) 🌐, "the hidden face." Likewise, the holiday itself is designated by the Pey KeyWord **Purim (Lots)** which comes from root parar meaning to break, since lots were made from broken shards of pottery. All of this brings us face to face with the fundamental integration of the meaning of the Seventeenth Letter with the name, theme, and meaning of the Seventeenth Book. As seen in the many quotes above, the traditional association of Esther with things hidden, specifically the face of God, is very old and extremely broad. There is no question concerning its inextricable connection the Letter Pey as established by God Himself with His repetitive use of the KeyWord **panim (face)** in the Alphabetic Verses. This then illustrates the lesson of Esther. Its inclusion in the Canon and exact placement on Spoke 17 is itself an example of **Divine Providence** in action since the natural history of the formation of the Christian Canon proves beyond all doubt that no human or group of humans deliberately designed the Bible to form the pattern of the Wheel. Furthermore, its lack of any mention of God generated a lot of resistance to its inclusion. God designed all of this without any knowledge on the part of those whom He used. This means that the structure results from the Hidden Hand of God working in history. No human can claim any credit for its design, and so it is that God alone gets all the glory! Praise His name now and forever!

The year 2020 was emphatically herald as the year of promise primarily because it landed "26" years from the historic jubilee year announcement of 1994 that fell 2960 years from Solomon's 967 BC Temple Foundation.

The 2020 once-in-a-century pandemic left a stain that exposed America's systemic racism and economic disparity to its core. America's reckless denial response led to roughly 350,000 deaths, which alone exceeded the second and third highest countries of covid-19 deaths combined. Suddenly, in a country that refuses to provide universal healthcare, a terrified government finds enough money to support massive unemployment and provide stimulus funds in droves. At the same time, conglomerates gain, the stock market sustains and the wealthy profit substantially while food lines and poverty dramatically expand. Still, a whopping 48% voted to re-elect a leader of divisiveness and corruption. However, according to "[The Countdown of America](#)," America's penchant for greed, power and systemic injustice has been an ongoing transgression that has stubbornly thrived in God's timeline for over 400 years.

Entry of the preceding paragraph was penned before the January 6 white supremacy insurrection at the US Capital when the symbolic temple was defiled and desecrated by a swarm of raging fanatics hoisting confederate flags. The same building was fully armed with the National Guard last summer during the Black Lives movement - as if to say: *'Don't even think about it.'* The stark contrast in readiness among the two events speaks volumes of today's divided state of America.

America's standing as a beacon of hope around the world has been shattered with its breached windows while she leads the world in Covid-19 recklessness with over 3,000 deaths per day.

The corona virus precursor, [1918 Spanish Flu](#), actually ended after two years in the spring of 1920, which was 101 years ago. "[101](#)" is the "[26th](#)" prime number and holds the value for the concluding phrase "[and it was so.](#)"

How could it be that a one-term-president is able to place the mightiest nation of the world into so much carnage?

For the scripture saith unto Pharaoh, Even for this same purpose have I raised thee up, that I might shew my power in thee, and that my name might be declared throughout all the earth. {Rom 9:17} ([Exo 9:16](#))

And ye shall cry out in that day because of your king which ye shall have chosen you; and the LORD will not hear you in that day. {1 Sam 8:18}

Like in the book of Esther, the Lord remains hidden behind the scenes in real time today. Esther means "*star*" stemming from the Persian near eastern goddess; and is also related to the word "*hester*," which means "*hidden*." Esther, the star of the "[17th](#)" book of the bible, kept her identity a secret until it was time to save her people. The story of Esther itself is threaded with hidden irony as being only one of two books in the bible where the name of God is absent. The repetitive integration of the 17th letter "*pey*" which means "*mouth*" of the "*face*" is an underlying theme of "*hester panim*," the "[hidden face](#)" of God. A time when God will hide is described to Moses in Deuteronomy 31:18, the final book of the Torah.

And the LORD said unto Moses, Behold, thou shalt sleep with thy fathers; and this people will rise up, and go a whoring after the gods of the strangers of the land, whither they go [to be] among them, and will forsake me, and break my covenant which I have made with them. **Then my anger shall be kindled against them in that day, and I will forsake them, and I will hide my face from them,** and they shall be devoured, and many evils and troubles shall befall them; so that they will say in that day, Are not these evils come upon us, because our God [is] not among us? ¹⁸ **And I will surely hide my face in that day for all the evils which they shall have wrought, in that they are turned unto other gods.** Now therefore write ye this song for you, and teach it the children of Israel: put it in their mouths, that this song may be a witness for me against the children of Israel. For when I shall have brought them into the land which I swore unto their fathers, that floweth with milk and honey; and they shall have eaten and filled themselves, and waxen fat; then will they turn unto other gods, and serve them, and provoke me, and break my covenant. {Deu 31:16-21}

Exodus 32 records what happened “...when the people saw that Moses delayed to come down out of the mount...”

(1) ...the people gathered themselves together unto Aaron, and said unto him, Up, make us gods, which shall go before us...(7) And the LORD said unto Moses, Go, get thee down; for thy people, which thou broughtest out of the land of Egypt, have corrupted [themselves]: **They have turned aside quickly out of the way which I commanded them: they have made them a molten calf, and have worshipped it, and have sacrificed thereunto, and said, These [be] thy gods, O Israel,** which have brought thee up out of the land of Egypt. And the LORD said unto Moses, I have seen this people, and, behold, it [is] a stiffnecked people: Now therefore let me alone, that my wrath may wax hot against them, and that I may consume them: and I will make of thee a great nation. {Exodus 32:1, 7-10}

The molten calf represents the trust of any authority other than the bible, the infallible word of God. Unfortunately today as the Lord tarries, the watchman prefer to blindly trust and follow the misinterpretations of fellow servants and organizations who say what they want to hear without proving them with the authority of the bible. As result of this idolatry, Moses breaking the tablets of stone was a dramatic illustration of the broken covenant with God. The word “pur” or “purim” means “broken pieces” used for casting lots, as the lot of Matthias. ([Act 1:22-26](#))

Daniel 12:13

*But go thou thy way till the end [be]: for thou shalt rest, and **stand in thy lot at the end of the days.***

Although highlighted with the infallible proofs above, the parallel time paths from Haggai's foundation date to Shushan Purim for the foundation years 2011 and 2017 is worth presenting in biblical context. In the **37th book** of the bible, the Lord is imploring Haggai to consider a specific date to uncover the time of blessing when the heavens and earth shall shake.

Consider now from this day and upward, from the four and twentieth day of the ninth [month, even] from the day that the foundation of the LORD'S temple was laid, consider [it]. Is the seed yet in the barn? yea, as yet the vine, and the fig tree, and the pomegranate, and the olive tree, hath not brought forth: from this day will I bless [you]. **And again the word of the LORD came unto Haggai in the four and twentieth [day] of the month,** saying, Speak to Zerubbabel, governor of Judah, saying, **I will shake the heavens and the earth;** [Hag 2:18-21](#)

With the Lord providing the foundation date (*Kislev 24*) to consider, it's the task of the watchman to determine the applicable year. **2011** is considered as a foundation year because it began [The Great Tribulation Period](#) when salvation was cut off precisely 7,000 years after the flood in 4990 BC. As an anagram of 2701, the value of the first creation verse of the bible; "[2017 The Year of Light](#)," also deserved consideration as a foundation year being the year of [Epic Chai Sarah](#), which landed on 11/11 for the first time in 73 years. Accordingly, "[1111](#)" holds the value for "**The Foundations**" and "**The Flood.**"

As previously noted, *Shushan Purim 3/6/15* was the 666th day of the Sabbath Journey and 666 days from the last day of *Hanukkah 12/31/16*. The double 1173 time spans from Haggai's foundation date to *Shushan Purim in 2015 and 2021* is profound:

- From Haggai's Foundation Date 12/20/11 to **Shushan Purim 3/6/15** are 1173 days
- From Haggai's Foundation Date 12/12/17 to **Shushan Purim 2/27/2021** are 1173 days

1173 = 3 x 391 "Jesus," "Salvation," "Face to Face"

Besides 1,173 being 3 times divisible of 391, "1173" also equates to one passage of Solomon that refers to "*Shushan*," which means "*lilies!*"

I am my beloved's, and my beloved is mine: he feedeth among the lilies. {Sol 6:3}

Consider the lilies how they grow: they toil (tire) not, they spin (turn back) not; and yet I say unto you, that Solomon in all his glory was not arrayed like one of these. {Luke 12:27}

A continuation of this passage admonishes us to keep the faith as we seek the kingdom of God.

²⁸ If then God so clothe the grass, which is to day in the field, and to morrow is cast into the oven; how much more [will he clothe] you, O ye of little faith? And seek not ye what ye shall eat, or what ye shall drink, neither be ye of doubtful mind. For all these things do the nations of the world seek after: and your Father knoweth that ye have need of these things. But rather seek ye the kingdom of God; and all these things shall be added unto you. Fear not, little flock; for it is your Father's good pleasure to give you the kingdom. Sell that ye have, and give alms; provide yourselves bags which wax not old, a treasure in the heavens that faileth not, where no thief approacheth, neither moth corrupteth. For where your treasure is, there will your heart be also. {Luke 12:28-34}

Strong index [H3091](#), another anagram of the 26th Star number, is assigned to the name "Joshua," which means "Jehovah is salvation." 391 = "Jesus" and "Salvation."

According to [The Date of Purim and Calendars in the Book of Purim](#), coupled with Queen Esther's triumphant decree that was recorded in the bible (Est. 9:32); "...the **twelfth year of king Ahasuerus**" {Est 3:7} was **391 BC** when the Old Testament scripture was "completed."

In his book "[Time Has an End](#)," the late engineer/theologian, Harold Camping, views the book of Esther as a historical parable and factors 2401 years from 391 BC to the guaranteed Judgment Day year 2011 AD as **7 x 7 x 7 x 7** (2401). From a gematria perspective, we would break it down as 7 x 343. "**343**" equates to "The Ark of God" and "And God said." Below is an excerpt from an independent study - "Countdown to the Last Day."

Now let's look at an example of how one important Biblical date to the year 2011 shows special Biblical numbers as factors. In the book, *Time has an End- A Biblical History of the World- 11,013, BC-2011 AD*, the author cites an important time reference from the book of Esther. Harold Camping states the following:

The last notice of God's reporting in the Old Testament is this small Book of Esther. It is there that we can find the last Old Testament Word from God. This came in the year 391 B.C. during the twelfth month of the twelfth year of the reign of the Media- Persian King Artaxerxes II. The citation is found in Esther 9:32:

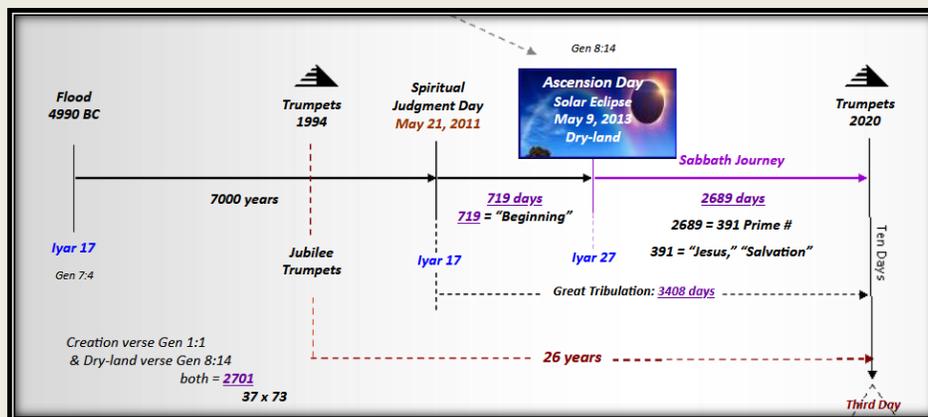

And the decree of Esther confirmed these matters of Purim; and it was written in the book.

The only book that can be in view is the Bible. It is in the Bible that these matters were written. Significantly, the number of years between 391 B.C., when God last spoke in the Old Testament day, until A.D. 2011, when will again in all likelihood speak as He comes with the voice of the chief messenger (1 Thessalonians 4:16), equals 391 + 2,011-1 = 2,401 years. The number 2,401 breaks down into 7 x 7 x 7 x 7. How interesting!?

Its surely is very significant that, in the Book of Esther, there is very clear reference to recording in a book the historical events of the Book of Esther. We read in [Esther 9:32](#): **And the decree of Esther confirmed these matters of Purim; and it was written in the book.** The only book that can be in view is the Bible because that is where these events are recorded. Furthermore, because the twelfth month of the twelfth year of King Ahasuerus (Artaxerxes II) is the year 391 B.C., we know it is in that year that the last insertion was made into the Bible. There is no indication anywhere in the Bible of an insertion being made at a date later than 391 B.C. The occasion for this inclusion was particularly significant even as the year 391B.C. proves to be particularly significant....It is curious and even amazing that in the year 391 B.C., when God's Word of the Old Testament was finally completed, the year 391 B.C. itself was anticipating Christ's coming as the perfect fulfillment of the Word of God. ([Time Has an End](#): pgs. 294-295)

The connection between 391 BC and 2011 further corroborates the spiritual judgment determined on May 21, 2011. The next judgment day will be physical on *Shushan Purim 2021*.

Although it seems like long ago, the watch of *Trumpets 9/18/2020* at [2689 days](#) from the [Sabbath Journey](#) start 5/9/2013 was certainly a preview with [2689](#) being prime number **391!**

- Emperor Theodosius I establishes Christianity as the official state religion. All non-Christian temples in the Roman Empire are closed. The eternal fire in the Temple of Vesta at the Roman Forum is extinguished, the Vestal Virgins are disbanded, and "pagan" schools of philosophy are destroyed.

From the final writing of the Old Testament in **391 BC** to the beginning of Christianity in Rome **391 AD** are 781 years. Accordingly, the number "781" holds the value for "Wisdom," "Paul," "Heavens" and "Righteousness," which are highlighted in 2 Peter 3.

*Nevertheless we, according to his promise, look for new **heavens** and a new earth, wherein dwelleth **righteousness**. Wherefore, beloved, seeing that ye look for such things, be diligent that ye may be found of him in peace, without spot, and blameless. And account that the longsuffering of our Lord is salvation; even as our beloved brother **Paul** also according to the **wisdom** given unto him hath written unto you; {2 Pet 3:13-15}*

781 is an anagram of 7801, which is the consolidated sum of the Hebrew and Gregorian years for 2020.

Hebrew year	5781
<u>Gregorian year</u>	<u>2020</u>
Total	7801

With the breakout of the pandemic during a year of unrest in an election year, 2020 was extraordinary. The prophetic lesson of 2020 was appreciating the spiritual significance of the Lord's signature and the Name of Jesus in the numbers 26 and 391.

Hebrew year	5781
<u>Gregorian year</u>	<u>2021</u>
Total	7802 ÷ 2 = <u>3901</u>

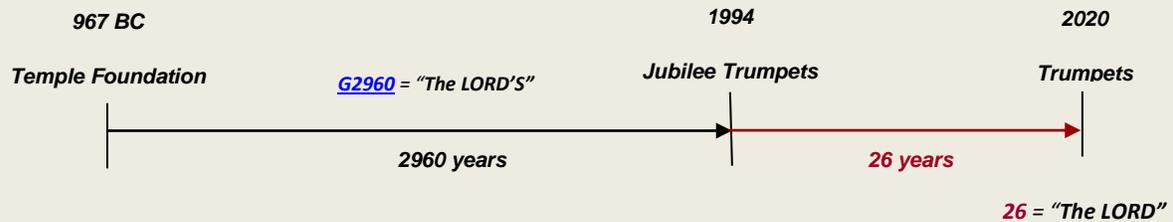

Crossing over into 2021, we now calculate 7802 as the double of 3901, the 26th star number and the numeric value of the victory verse of Purim (Est 9:26).

The identity of the only source of salvation is profoundly underscored in the gematria value equivalents between the answers and the three-part identity questionnaire incorporated in Proverbs 30:4.

Multitudes, multitudes in the valley of decision: for the day of the LORD [is] **near** in the valley of decision. {Joel 3:14}

Difference	2960	"Son of Man" = 2960	Difference	2960
	Years	G2960 = "The Lord's"		Years

In retrospect, the above historical timeline underscores that the final 26-year span from 1994 to 2020 was no coincidence meaning *"the day of the LORD is near in the valley of decision"* for 2021. The historic 2960-year parallel leading to the *jubilee year* 1994 cannot just be dismissed.

The pivotal *jubilee year* 1994 to 2021 raises the final significant leg of time to 27 years. **"27"** holds the value for *"hath told"* (*Haqidah*) and *"riddle"* and is the ordinal value for *"light,"* which standard value is the anagram **"207."** Shining out of darkness, the *"light"* also shares its value with *"glory"* as illustrated in 2 Corinthians 4:

For God, who commanded the **light** to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the **glory** of God in the face of Jesus Christ. {2 Cor 4:6}

And God said Let there be **light**, and there was **light**. {Gen 1:3}

The prophetic Daniel is the 27th book of the bible where Gabriel guides us to 1994. Counting from 1994 to the spanning years 2020 and 2021; **"26"** and **"27"** can be interpreted as **"The Lord"** *"hath told"* His *"riddle."* 26 + 27 = 53. **"53"** equates to *"The Jubilee"* *"Prophecy."*

Because the Lord is identified as the beginning and the end (Rev 22:13), it's fitting that Noah's dry-land rainbow verse shares its value with the creation verse Gen 1:1 at **2701**.

And in the **second month, on the seven and twentieth day of the month**, was the earth dried. {Gen 8:14}

227 = *"Firstborn," "Birthright," "Blessing"*

227 = Prime # 49 (7 x 7)

Below is posted the full context of the decree of Purim from Esther 9, verses 26 to 32:

²⁶ **Wherefore they called these days Purim after the name of Pur. Therefore for all the words of this letter, and [of that] which they had seen concerning this matter, and which had come unto them,** ²⁷ **The Jews ordained, and took upon them, and upon their seed, and upon all such as joined themselves unto them, so as it should not fail, that they would keep these two days according to their writing, and according to their [appointed] time every year; And [that] these days [should be] remembered and kept throughout every generation,** every family, every province, and every city; and [that] these days of Purim should not fail from among the Jews, nor the memorial of them perish from their seed. Then Esther the queen, the daughter of Abihail, and Mordecai the Jew, wrote with all authority, to confirm this second letter of Purim. And he sent the letters unto all the Jews, **to the hundred twenty and seven provinces of the kingdom** of Ahasuerus, [with] words of peace and truth, To confirm these days of Purim in their **times [appointed]**, according as Mordecai the Jew and Esther the queen had enjoined them, and as they had decreed for themselves and for their seed, the matters of the fastings and their cry. ³² **And the decree of Esther confirmed these matters of Purim; and it was written in the book.**

➤ *The sum gematria value of Esther 9, starting from verse 26 to verse 32: equals 33,254.*

$$33,254 = \underline{26} \text{ "The Lord"} \times \underline{1279} \text{ (Prime \#} \underline{207} \text{ "Light")}$$

Recognizing 3901 as the value of verse 26, we find the value of verse 27 as 4920. The sum of these two verses (3901 + 4920) equals 8821, which also holds the value for John 2:1-2.

¹ *And the third day there was a marriage in Cana of Galilee; and the mother of Jesus was there:* ² *And both Jesus was called, and his disciples, to the marriage. {John 2:1-2}*

$$8821 = \text{Prime \# } \underline{1099} = 7 \times 157 \text{ (Prime \# } \underline{37} \text{ Wisdom)}$$

$$\underline{157} = \text{"The New Covenant," "Everlasting Salvation"}$$

*Shushan Purim 2/27/2021 is the **Third day** from the Feast of Esther 2/25/2021*

The multiple result for the 2 timespans ending 2020 & 2021: "26" x "27" = 702, anagram of "27"

$$\underline{702} = \text{Sabbath / Rest (Gen 2:3)}$$

Shushan Purim - February 27 is the **58th day** of the year. "**58**" holds the value for the words "Noah" and "Grace" are both joined together in Genesis 6.

But **Noah** found **grace** in the eyes of the LORD. {Gen 6:8}

Shushan Purim - February 27 is also [71 days](#) from the last day watch of Hanukkah 12/18/2020. "[71](#)" holds the value for "Fullness" and "Dove." Amen.

	Esther 9:26 = 3901	Gen 8:14	500 = 10 x 50 All, The Man	Wisdom verse 666

The 3571 day Great Tribulation Period translates as the 500th prime number, which holding the value of "The Law" and "The Number" emphasizes the value of "number" highlighted 3 times (430 x 3 = 1290) in the wisdom verse Revelation 13:18.

Here is wisdom. Let him that hath understanding count the number (430) of the beast: for it is the number (430) of a man; and his number (430) [is] Six hundred threescore [and] six. {Rev 13:18}

By following suit, we find that "[1500](#)" is the result of 3 x 500. 1500 is the largest value for a single word in bible, which happens to the Greek word for "**Light**," along with "you shall rule," and "Mount Zion." 1500 also holds the value of Ezekiel 37:27 and Job 19:25.

My tabernacle also shall be with them: yea, I will be their God, and they shall be my people. {Ezek 37:27}

For I know [that] my redeemer liveth, and [that] he shall stand at the latter [day] upon the earth: {Job 19:25}
