

### The Key Tri-Factors to Fullness 2701 to 2017 to 2023

There is a reason why the Word emphasizes the Lord as “Alpha and Omega,” “the First and the Last,” and “the Beginning and the End” (Rev 22:13). “Counting time” from the very first day of creation, God was prophesizing the perfect completion of His salvation program in the first seven days.

The discipline of gematria well documents the value (2701) of the first verse of the bible forming the foundation of God’s divine numerical system illuminating scriptural understanding. The mirror multiples of 2701 (37 x 73) both hold the ordinal and standard value of “wisdom.” When the two beginning verses *Gen 1:1* (2701) *John 1:1* (3627) are added together, the 73<sup>rd</sup> triangle number (2701) expands to the 112<sup>th</sup> triangle 6328, which is an anagram of Jesus Christ (2368). The intense light shining on the creation verse itself commands a start-time dimension, which was calculated to be 11013 BC by accurately chronicling the spans of generations and kingdoms recorded throughout scripture.

God’s double promise of His return at the appointed time of life to Sarah (Gen 18:10,14) was embodied in the birth of Isaac when she was 90. However, her full earthly time of life was 37 years later when she was laid to rest in the Promise Land of Canaan at 127 (Gen 23:1-2) and shortly after Isaac married Rebecca (Gen 24:67) who comforted him in the loss of his mother. The combined index of the Old and New Testament “beginning” verses of the bible (*Gen 1:1*, *John 1:1*) “1111” occurs at the 12,700<sup>th</sup> (127 x 10 x 10) position of pi. “127” is an anagram of 2701 just like “172” words of the *Ten Commandments*, another picture of the promise.

Besides Genesis 1:1, Noah’s dry land date verse when God signals a rainbow Genesis 8:14 is the only other verse that holds the value 2701.

*And in the second month, on the seven and twentieth day of the month, was the earth dried.* {Gen 8:14}

Amazingly, in anagram year 2017, God also signaled a rainbow in the form of the worldwide watched *Great American Eclipse on 8/21/17*. The 2017<sup>th</sup> composite number happens to be the numeric value of *Jesus Christ (2368)*!

Most significantly, **2017** was the first time Chai Sarah fell on 11/11 in “73” years.

- *From Creation years 11013 BC to Epic Chai Sarah 2017 are 2603 years = 19 x 137*

*19 = “The earth,” “He shall come” 137 = “Tittle,” “Seventh,” “The God of Truth”*

*Strong index [G2017](#) is assigned to the Greek word *epiphaúō*, which means “to shine light upon” or “to give light.” This sheds light in leading us to the next 11/11 Chai Sarah year being 2023.*

- *From Chai Sarah 11/11/17 to Chai Sarah 11/11/23 are [2192 days](#)*

$$2192 = 2^4 \times 137 \text{ Fine Structure Constant}$$

- *From Sarah’s Rest 2030 BC to Epic Chai Sarah 2017 are 4046 years  
4046 = The double of “2023”*

*Through faith also Sara herself received strength to conceive seed, and was delivered of a child when she was past age, because she judged him faithful who had promised. {Heb 11:11}*

- *From the beginning of creation 11013 BC to the last year 2023 are 13,035 years*

*Blessed [is] he that waiteth, and cometh to the thousand three hundred and five and thirty days. {Dan 12:12}*

*Sum of The Key Tri-factors*

$$2701 + 2017 + 2023$$

$$= \mathbf{6741}$$

*According to the 11013 BC timeline; the acceptable year for the rapture of Enoch, who walked with God, was age 365 years in **6741 BC!***

- *From Enoch’s rapture 6741 BC to God’s acceptable year 2023 AD are 8763 years:*

$$8763 = 3 \times 23 \text{ (Aleph + Tav)} \times 127 \text{ Sarah’s age in Promise Land}$$

*127 “The King of Glory,” “Rein,” “Deliver,” Anagram of 2701 / Gen 1:1*

8763 years from Enoch's year to 2023 also breaks down to 3 x 2921, which happens to be the number of years from Noah's dryland rainbow promise [365 days](#) after the flood in 4989 BC to God's promise of a son to Abraham at 99 when Sarah was 89 in 2068 BC.

- *From Noah's dryland promise 4989 BC to Abraham's son promise 2068 BC are 2921 years*

$$2921 = 23 \text{ "The Man" (Ord.)} \times 127 \text{ "The Lord Commanded"}$$

2921 is an anagram of 2192, the span of days from *Epic Chai Sarah 2017* to *Promise Chai Sarah 2023*.

Traditionally, Enoch is said to have been born and taken up on Pentecost. If this is correct, it ties him to the number "fifty."

$$50 \times 7.3 = 365; (.137 \times 365 = 50)$$

$$3.657 \text{ years} \times 365 = 1335 \text{ days}$$

- *From Sarah's rest in Canaan 2030 BC to Christ's Return 2023 are 4052 years*

$$4052 = \text{Gematria value of "Numbers 29:29," } 29 = \text{"Lord," "To Come"}$$
