

The Sign of All Time

A Total Solar Eclipse is only possible on the earth because while the [sun's diameter](#) is 400 times larger than the moon, it is also 400 times further in distance from the moon. "400" is the value of the last (22nd) Hebrew letter: "Tav," which originates from the Egyptian symbol "X" for "Taw," meaning "mark" or "cross." The path of totality for the 2017 Great American Eclipse lines up with the nation's earthquake hazard zones while intersecting with its succeeding 2024 total solar eclipse at the Mississippi and Ohio Rivers seven years ahead.

Considering "[X marks the spot](#)" as illustrated above, one could view the "New World" with the hidden treasure of time, which gets discovered where God draws an X sign on "the earth" for the year 2024. As noted, "400" relates to "sign" of the sun, and holds the value for "harvest," "heaven," "judge," "year," "unto glory" and the last Hebrew letter tav (cross). The first letter alpha plus tav equals [401](#), which also values "Sign." This is the key hidden Hebrew word that's un-translated to English in the very center of the first creation verse of the bible.

"Sign"

the earth	and	the heaven	(untranslated)	God	created	In the beginning
296	407	395	401	86	203	913
↑	↑	↑				

In other words, because the number 401 is included in its total value 2701, it would be perfectly accurate to translate Genesis 1:1 as: "In the beginning God created **the signs of the heaven and the earth**," which is clearly collaborated by the declaration of *Psalms 19*, the 19th book of the bible. Based upon the collective evidence of faith and patience, it's safe to conclude that God had marked the date of His return from the very beginning.

From Genesis 1:1, the sum of the hidden "sign" + "and" + "the earth" = **1104** (401 + 407 + 296). "[1104](#)" holds the value for "God the Son" ("The Son of man" [3030](#)), which is linked to *Psalms 110:4*

*The LORD hath sworn, and will not repent, Thou [art] a priest for ever **after the order of Melchizedek.*** ([1010](#) Hebrew & [2020](#) Greek) {*Psalms 110:4*} = **1104**

Adding **395** (+ 1104) for “the heavens” that declared the glory, we get “**1499**,” which holds the value for “Isopsephia” (gematria), “**the two great lights**” and “the heavens were opened.”

A geographic perspective recognized that the location of 2017 eclipse ends where the Civil War started while the 2024 eclipse starts where the Civil War ended. The 2017 Totality entered in Salem, Oregon and ended at Fort Sumpter, North Carolina where the first shot was fired to begin the Civil War. Seven years later, the 2024 eclipse begins in Eagle Pass, Texas where the last Confederate flag was buried by General Shelby who stood against a free United States.

- From the Civil War start at Ft Sumpter 4/12/1861 to Totality II 4/8/24 are [59,532 days](#)

$$59,532 = 2 \times 41 \text{ “God”} \times 726 \text{ “The Messiah” (John 4:25)}$$

- From last Confederate flag buried 7/4/1865 to Totality II 4/8/24 are [57,988 days](#)

$$57,988 = 2 \times 38 \text{ “His Glory,” “He shewed openly”} \times 763$$

[763](#) “The Sabbath Day,” “Elijah the Tishbite”

In expansion to the revelation of “[The Manifestation of Glory](#),” the following table illustrates that the parsing of word-fragment values of the *Genesis 1:1* reveals that God’s prophetic plan, signaled by America’s “Two Great Lights” of totality, was numerically encoded at the beginning of creation in the very first words of the bible. Notably, not only is America’s birth year 1492 totaled between the first and last words of the verse; the subject portion of the sentence (*the heaven sign and the earth*) equates to “gematria,” “the heavens were opened” and “two great lights” (**1499**).

*And it shall come to pass, if they will not believe thee, neither hearken to the voice of the first sign, that they will believe the voice of the **latter sign**. (Exodus 4:8 - as in 4/8/2024!)*

					} 37 x 73

3 x 1209 = 3627 = John 1:1

*“In the beginning was the **Word**, and the **Word** was with God, and the **Word** was God.”*

The first and last words of the verse totaling 1209 identifies the completion of the “Word” being a factor of *John 1:1* (1209×3) and the result of 3 times “**403**,” which holds the value for the jubilee theme of redemption: “*the fiftieth year,*” “*and God called*” and “*Salvation comes!*”

According to Revelations 3, in the context of keeping watch ([Rev 3:10-14](#)), the “*last word*” of the bible - “*Amen*” ([Rev 22:21](#)), identifies with Christ because He is the affirmation of Truth from the beginning.

*...These things saith **the Amen**, the faithful and true witness,
the beginning of the creation of God; {[Rev 3:14](#)}*

The word “*profitable*” is Strong’s last indexed word in the KJV bible at [G5624](#). This word happens to be preceded by the word “*Pentecost*” ([G4005](#)) by a difference of 1619 assigned words ($G5624 - G4005$). “1619” is the year that the profitable trade of slavery began in America. “1619” holds the value for “*salvation*” and the phrase “*to cry out in a loud voice.*” At Pentecost, Peter stood and “*lifted up his voice*” and explained the manifestation of darkening signs to come at the end of the world ([Acts 2:14-20](#)), as “*spoken by the prophet Joel*” ([Acts 2:16](#), [Joel 3:14-16](#)). Similarly, Christ “*stood and cried*” out on the last day of the great feast of Tabernacles ([Joh 7:37](#)). America’s start of slavery in 1619 fell **127 years** from her beginning in 1492. Sarah was laid to rest in the Promise Land at age 127. The word indexed at [G1492](#) occurs “666” times in the bible and shares its translations “*to see*” and “*behold*” with Strong indexes [G3700](#) and [G2300](#). 1492 is also the result of 2×746 , which holds the value for “*Authority*” and “**To open the Book.**”

...Summary...

The best way to understand a matter is to consider its origin. For example, to appreciate aerodynamics for flying an airplane, it’s plausible to start with the design of the Wright brothers at the start of the 20th century. When people first meet, it’s common to discuss where each party came from. So too, with the *Word*, the “*beginning*” verse ([Gen 1:1](#)) of scripture happens to be a condensed prologue to God’s salvation program, the essential theme of the entire bible.

As Daniel 12 suggests that in the end “*knowledge shall be increased;*” in the last days, we now find that God points to the end by clearly “*speaking in numbers*” in the first verse of the bible. By adding the first and last words of Genesis 1:1 ($913 + 296 = 1209$), we get exactly $1/3$ the value of John 1:1 ($3 \times 1209 = 3627$), which underscores the “*Word*” at the beginning, and is three times **403**, a reflection of the “*salvation*” to come. Serving as a parallel of the promise land, America’s signature year 1492 ($2701 - 1209$) is the difference between the full value (2701) of the first verse and its first and last words combined (1209). To underscore the point, 1492 is also four times divisible of the value for “*Word*” ($373 = 1492 \div 4$).

Twice the value of Jesus ([888](#)) equates to the reference of light for Gen 1:4 (1776 = 2 x 888), America's year of independence "[1776](#)." However, her declaration that "all men are created equal" while profiting on slavery also establishes her as a picture of Egypt, who subjugate the personification God's people for over 400 years since **1619**. Amazingly, the very region in southern Illinois where the 2017 and 2024 intersects is known as "Little Egypt."
